THE MILLERSPORT LIONS CLUB

The Millersport Lions Club is part of the World's Largest Service Organization. We Serve the people of our community through many projects all year long. We are a place where you can make a difference. Curious? Please join us for a service project or at a meeting. We meet on the 2nd and 4th Thursday evening of each month at the Lions Clubhouse.

HERITAGE VILLAGE AT HISTORIC LIONS PARK

Unveiled in 1996, this service project's purpose is to make our community's heritage accessible through local historical buildings. It contains the Slater Gas Station and Wayside Market, the Walnut Township House, Brison Farm Summer House, The Old Millersport Post Office, The Spurgeon Store, and the Watson Building. We also house the Charles Holiday Covered Bridge and some Buckeye Lake lock stones from the original Ohio and Erie Canal. The Millersport Lions Club invites you to take a step back in history and visit these historical areas while on the Festival Grounds.

STOP BY OUR BEER GARDEN

"ICE COLD BEER HERE!"

Where you say?

At the Sweet Corn Festival Beer Garden in the big barn where friends and families can gather. The rustic setting is the perfect place to relax for a while and have a draft beer or one of our other popular adult beverages, while you ponder what Sweet Corn Festival adventure to enjoy next. Will it be a game, a ride, dancing, sampling the countless food choices, exploring the Historic Village, or taking in a free show at one of our stages? When you need to rest your feet again, we will be here.

Citizens for Fair Fields

GET INVOLVED IN PRESERVING OUR FARMLAND

Citizens for Fair Fields is a community of local farmers, friends, family, and neighbors located in and around Fairfield county, Ohio (including Buckeye Lake, Millersport, Walnut, Liberty, and Richland Township areas).

We've come together to help inform our local community about the proposed utility-scale solar project set to be constructed in the region's agricultural spaces and surrounding neighborhoods.

ALL ABOUT THAT *Corn*

Sweet corn is a traditional summer food served around the world at family gatherings, community celebrations and backyard barbeques. Our hot corn-on-the-cob dripping in butter is served fresh from the fields of the famous Michael Farms of Urbana, Ohio. The Millersport Lions Club encourages all of our patrons to sample several ears of wholesome goodness grown by this American farm family. *It's Ear-resistable!*

- Corn was first grown by Native Americans more than 7,000 years ago in Central America.
- Sweet corn leaves were used as chewing gum by Native Americans.
- Corn is grown on every continent except Antarctica.
- Corn plants typically grow 7 – 10 feet tall. Sweet corn plants are several feet shorter.
- The tassel borne at the top of the stalk is the male part and the silk of the ear is the female part.
- The tassel releases millions of grains of pollen, and some of them are caught by the silk.
- There is one strand of silk for each kernel on a cob.
- On average there are about 800 kernels on an ear of corn.
- An ear of corn always has an even number of rows.
- One acre of land can produce 14,000 pounds of sweet corn.
- Depending upon the cultivar type, the crop may be ready for harvesting in 65-90 days.
- Corn is cholesterol free.
- It's a good source of vitamin C and A, potassium, thiamine and fiber, and very high in antioxidants.
- Corn is a 100% whole grain.
- Corn is high in natural sugars/starches.
- One average ear of yellow sweet corn equals 86 calories.
- Sweet corn is a tasty and nutritious addition to any meal.
- Sweet corn has been grown in the fertile fields around Millersport for such a long time that it was just natural for the Millersport Lions Club in 1946 to name their annual event after it.

Thanks to the 2023 Non-profit Groups Who Are Participating in the 76th Annual Sweet Corn Festival

All food and games concessions at the Millersport Lions Sweet Corn Festival are operated by nonprofit organizations from throughout the Central Ohio area — a tradition we have maintained since 1947.

Many groups earn their entire operating budgets for the coming year during this annual four-day event, plus raising additional funds for community and civic improvements.
